1. Reference is made to your request dated 19 June 1969 concerning Subject (CIA Hatch Number 9167, Sequence Number 1461). The files of this office contain information concerning one Ede HORVATH, born 6 November 1922 in Budapest, Hungary, who may or may not be identifiable with Subject.

2. In November 1960, a source of undetermined reliability stated that HORVATH was a former World War II partisan and militia officer who was mobilized during the 1956 revolt and served with the AVO, the predecessor organization of the AVH (Hungarian Intelligence Service and State Security Forces). Source based this statement on conversations that he had overheard between HORVATH and his girl friend. Source also recalled seeing a picture of HORVATH in uniform.

SECRET
3. Information dated 1 April 1963 indicated that a Western intelligence service's interest in HORVATH was possibly compromised to the Soviet Intelligence Service (KGB) by Heinz ELLER, a former ORGANISATION WEST German Intelligence Service (BND) officer who had been ~~WORKING~~ recruited by the KGB.
